Save A Cop Consulting LLC

Save A Cop Firearm Liaison

January 16-17, 2024

Save A Cop Consulting LLC is working with IDEA to offer Save A Cop Firearm Liaison Training For Road officers. This training was developed, and implemented, to use available resources to investigate firearm related crime, especially on initial investigations. Crime involving firearms has risen sharply over the years and the available resources to investigate them must be utilized to their fullest potential. Students attending this 2-day class will walk away with the knowledge to conduct initial firearm investigations. Students will receive training in crime scene management, processing evidence for DNA and Latent Prints, photography and documenting crime scenes, court testimony, and laws pertaining to firearms in the state of Indiana. This course was designed to meet the requirements of the Indiana State Police Crime Lab, as well as other Indiana Forensic Laboratories, for the submission of firearm related evidence. The training has been recognized Nationally by Congress, ATF, Department of Justice, and the National Organization of Black Law Enforcement Executives as an outstanding program in the fight against crimes involving firearms. The Save A Cop Firearm Liaison Program is unique in the way that it utilizes these resources in investigating firearm related incidents. Which increases the filing, prosecution, and conviction of criminals that use and possess firearms during their criminal activity.

Students will gain crucial skills in:

- Triaging firearm related scenes for safety, preservation of evidence, and coordination with investigators
- Crime scene photography and documentation
- State Firearm Law, Search and Seizure
- Federal Firearm Laws and Prosecution
- DNA processing of firearm related evidence
- Processing firearm related evidence for Latent Prints with powder
- Handling and Packaging of Firearm related evidence
- Interviewing and Interrogation during firearm Investigations
- Understanding what is needed and why to prosecute firearm related cases
- Court testimony as it applies to firearm related investigations

All seats in this class are on a first come, first served basis, and seating is limited.
