Hosted by: The South Bend Police Department

Co-Hosted by: MGIA, MAGLOCLIN, US Attorney's Office (NDIN), Indiana HIDTA, and IDEA

This course explores the current trends, identifiers, and dynamics of street gang investigations. Understanding and identifying gang culture both on the street and in correctional facilities requires investigators from both local law enforcement and corrections to work together and share information. The intent of this course is to prepare officers in both large and small agencies to properly identify and interdict gang activity in their respective jurisdictions, collect and manage their gang intelligence, and communicate this information with neighboring jurisdictions and correctional facilities.
