

WHO HAS THE PEEPER?

**Find Out Who Has the Eye at the Evansville Surveillance School
October 19 – 21, 2026**

Any hotel expenses & per diem are the responsibility of the student and/or their dept.

IDEA's Moving Surveillance Training is a hands-on program designed specifically to bridge critical gaps in modern law enforcement. Today, tracking targets covertly and securing evidence without detection is more difficult than ever. Developed by seasoned law enforcement professionals, our curriculum perfects the art of surveillance. Whether monitoring terror suspects, narcotics traffickers, child predators, or money launderers, operators must maintain visual contact without being compromised. Through a seamless blend of classroom theory and immersive, street-level team exercises, IDEA equips personnel with the elite tactics required for any operational assignment.

Students Will Gain Crucial Skills In:

- Following targets covertly
- Collecting evidence without being discovered
- Maintain a still, short-term or long-term surveillance
- Using disguised radio language to avoid detection
- Using aircraft as surveillance tool
- Urban and rural driving techniques
- Protection of an Undercover Agent
